GRADING SCALE

Here at Covenant, it is believed that grades are earned and those grades reflect how you are doing in a class. If you have questions about your grades, do not waste your teacher's in-class time, go to them outside of class.

Covenant's Grading Scale calculates your GPA (it's your grade with numbers).

YOUR ACADEMIC GO-TO

Mrs. Shriner will be your go-to when it comes to your diploma, schedules, college plans, scholarship endeavors, casual conversation, and general advice on life. She will be the all-powerful and all-knowing genie when you have questions about future classes. Once you tell her which diploma you're working toward, she will make sure you take the required courses and achieve your life-long hopes and dreams. If you have questions about classes or anything else semi-academic, Mrs. Shriner is your gal.

INCOMPLETE WORK

Teachers give you an incomplete when you do not finish and/or turn in an assignment. It is your responsibility to make-up any work that you may miss during absences. Incompletes can turn into failing grades if not taken care of.

Extra work requests- Do not bug your teachers for extra work to raise your grade. Extra credit is offered occasionally. Some teachers may allow you to redo an assignment because of a poor grade.

Reporting of grades- You get your grades at the end of the midterm but only if your tuition bill is paid But remember only semester grade is calculated in your GPA.

As upperclassmen we have had our fair share of slow brothers/sisters and carpool buddies causing us to be late on many occasions. From siblings taking what seems like hour-long showers to your carpool buddy leaving the state to shoot geese without telling you, there are many challenges that can cause you to be late. To sum it up....being late STINKS, especially when it's not your fault, but these are some reasons why you should strive to be on time.

- Having to walk into a classroom 10 minutes late while everyone in the room awkwardly stares at you while you hand your hall pass to the teacher is horrible. It only makes it worse when your so-called "friends" are there to humiliate you even more, and who knows when they will ever let it go. Whenever this event happens, it feels as if a small piece of your soul dies.
- Another bad part about being tardy is it could seriously affect your grade in a negative way. It could be as bad as dropping a whole letter grade or worse.
- HE IS WAITING FOR YOU! "Who is HE?" you might be asking; HE is Mr. Fishburn. You are allowed 6 lates before the Tardy Protocol begins.

WHEN DOES SCHOOL START?

You are expected to be at school prior to the 8:30am bell.

Although the bell schedule directs us through the day, the classroom teacher dismisses you from the class. You should be in your seat, with your materials, and ready to begin when the bell rings. You should not close your books or start to leave a class until the teacher has indicated that you are dismissed.

WHAT IF I'M LATE TO CLASS?

Once you're at school, we think it's important to be punctual as you go from class to class. Between each class period you have 5 minutes to take care of any necessary business before going to the next class.

If you do arrive late to class, you must have a pass or you will be counted as tardy. Each student is allowed 3 tardies per nine weeks without penalty. The 4th tardy will result in a consequence as directed by the classroom teacher. Excessive tardies can result in parent conferences, long-term detentions, suspensions or removal from a class.

After 6 violations, any unexcused late arrival or tardy immediately initiates discipline process

7	1 hour detention after school (on Wednesdays)
8-10	45 minutes detention (before AND after school)
11-13	Student work program before school (7am start)
14-15	2 hour Saturday School (\$10/hour)
16-17	3 hour Saturday School (\$10/hour)
18-20	4 hour Saturday School (\$10/hour)
20+	Parent meeting and in-school suspension (if appropriate)
25+	Will be handled case-by-case, but can result in prolonged suspensions or even dismissal from the school

TARDY PROTOCOL TABLE

ATTENDANCE

WHAT IF I'M LATE TO SCHOOL?

If you are late for school (8:30am), you must sign in at the office upon your arrival and get a pass that allows you into class. It is important that a parent notify the school as to the reason for being late. Your excessive tardies can result in parent conferences, long-term detentions, suspensions or failure of the 1st period class. When a student is more than 15 minutes late to class, it is documented as a full period absence.

WHAT IF I DON'T SHOW UP AT ALL?

Absences will be recorded as either excused or unexcused. Attendance records are kept as part of the student's permanent record. Students who are absent (excused or unexcused) more than 10 days in a semester will not receive credit for that class.

MAKE-UP ASSIGNMENTS

You are allowed to make up work missed during an excused absence. You are responsible for arranging to make up missed work. Use the Prearranged Absence form, located in the office, as a means of communicating with your teachers. It is your responsibility to contact each teacher about all tests and assignments missed and to complete all make-up work within the specified time period. Generally, you have one day to make up assignments given during the time you were absent commensurate with the total number of days missed. If there is a pre-scheduled test or project due on the day that you are absent, you should be prepared to satisfy those requirements upon your return to school. We will be as flexible as possible, but we believe that no student can achieve his or her full potential without the benefit of punctual and regular attendance.

To reinforce the important concepts of each class, CCHS requires students complete all final examinations. If a student misses a final examination AND has an excused absence, the final grade in that course will be recorded as an "incomplete" until the exam can be completed at a mutually agreed upon time.

Unexcused absences will result in zero credit for the work assigned, including exams, during the classes missed. A student who has accumulated more than three days of unexcused absences in a nine weeks grading period will fail all classes impacted by those absences.

EXCUSED ABSENCES

Excused absences include, but are not limited to:

- Death in the family
- Student injury or illness
- Appointments that cannot be scheduled outside school hours
- Extreme transportation and/or weather problems

With the exception of college visits, all of the aforementioned reasons for an excused absence will count in the total number of absences allowed in a semester.

Excessive absences due to special circumstances will be evaluated on a case-by-case basis.

In accordance with Indiana Code 20-8.1-3-18, students supplying the proper notification to the office and participating in the following events are not counted absent:

- Page or honoree in the Indiana General Assembly
- Subpoenaed court appearance
- Helper to political candidate or election process
- National Guard duty
- School-sponsored field trips
- School-sanctioned college visits

WHAT IS SRT?

WHAT CAN I DO DURING SRT?

If you're new to Covenant you might see the term "SRT" on the schedule and be very confused. Well no need to fear, SRT stands for Student Resource Time, not Sleep and Relax Time, contrary to how some students spend it. SRT is a beautiful gift that allows you to do many things such as seek help from teachers in a class in which you might be struggling, do your homework that's due the next day (or next period), or simply take that 10 minutes to de-stress from the Covenant school day.

SRT happens every day, but it comes in different forms. Monday SRT is only 10 minutes long. This is a nice break between the long stretch of classes on Monday, and it is the perfect length to grab a snack to recharge before the next few classes. Tuesday and Thursday SRT is 35 minutes. This is a long time, and if you use it wisely you can reduce your homework time by close to an hour! Wednesday SRT is 10 minutes, and those are good days to seek help from teachers on an assignment you missed while absent, or even one you just don't quite understand. Friday SRT takes the form of Morning Assembly. This is a time where someone will get up and share a message for the entire Covenant Community. If the speaker does not use the full 40 minutes, then the remaining time will be regular SRT.

During SRT you can go many places, like the Library/Media Center, Computer Lab, Classrooms, and the Commons. You can also use the Weight Room and Gym as long as you have a weight coach with you. The possibilities are endless! SRT is a great time in the day to do what you need to be a better student. It can be tempting to spend the time talking with friends about the "Parks and Rec" episode you just watched, but if used wisely, it can be a very valuable time to keep you from stressing out about all the homework you will have that night.

INTERNATIONAL Room

For starters, we should honor both our parents and the school with our clothing choices. You may not agree with the rules or they might not be your first choice, but you need to abide by them.

Second, this being a Christian school, we take into account some biblical principles about dress:

[1 Tim. 2:9] We should dress with moderation so that we aren't seeking to attract unneeded attention to ourselves.

[Deut. 22:5] Acknowledge that there are intentional differences in male vs. female dress.

[1 John 2:15] The world likes to seek the "shock factor", but we are reminded to not let the world overly influence how we present ourselves.

Because you're at CCHS for the majority of the day, you need to dress in a way that is consistent with the school's environment. CCHS is open to visitors each day and when they come into our school, we want to make a good impression in appearance and conduct, so it's important how we dress. The Covenant staff might ask you not to wear something to school if it does not honor dress code guidelines, so please respect their authority and follow what they say. We don't need anybody going all rebel on us. Save that for the dystopian movies. The school allows us to have freedom and individuality with our clothes, but in exchange we need to respect the guidelines.

Now it's time for the most important and essential part of your day: Lunch.

WHERE TO EAT LUNCH:

- 1 **The Commons.** This is the most common location. With conventional tables and chairs, this is a tried and true method of breaking bread with your friends. The only rule is to not sit at the long table on the side of the Commons because that is where the teachers sit and they will fight you for it.
- 2 **"The Mall"** - A.K.A. the grassy area behind the gym. This is a popular choice on lovely fall and spring days.

WHAT TO EAT:

- 1 **Pack a lunch.** Classic. Can't go wrong with a lunch box full of a sandwich, fruit snacks, and a juice box lovingly prepared at home, probably by your mom.
- 2 **Order a lunch online through Schoolhouse Fare.** The school provides the opportunity to order catered lunches from some pretty awesome places (Hungry Howie's, Golden Dragon, Fazoli's, Chick-Fil-A, McAlister's, Moe's). There's a link on the Covenant website under Student Life with all the info you need.

WHO TO EAT WITH:

1. **FRIENDS.** This is your go-to. Find those friendly faces, pull up a chair, and start eating your lunch with some lovely conversation to provide a nice mental refresher for your day.
2. **Yourself.** No shame. Really. Some days you just need some alone time and people should be able to respect that. Find a spot under a tree and read or listen to music with just you and yourself.

What can I say other than we have a great school?! What a great school we have *right here...* The Bible classes offered allow for questions and great discussions that initiate thinking on how to defend one's faith. Though our Bible teachers and classes are great, that should not be the only time you discuss or think about your faith. Fellowship and creating relationships within the Covenant community is important. Covenant also offers another opportunity outside of the classroom setting for students to come together, fellowship, and discuss their relationship with Christ. Girls Discipleship meets in the library with Mama Burks every Tuesday morning around 7:20am for a great time filled with food and words of wisdom from classmates and teachers. This group of girls involves all grade levels.

Guys, don't worry! You aren't left out! Guys Discipleship meets Wednesdays at 7:37am with Mr. Wildman. Freshies all the way up to senior guys are welcome!

Morning Assembly involves everyone in the building and occurs every Friday during what would normally be SRT. There is always a theme for the school year that is the focus and different speakers come and talk about how that theme impacts them or how they incorporate it into their life. This time is really special and unique. Few other schools take this time out of their day to unite as a school and focus on their faith. This time should be valued and appreciated as we are fortunate to have this impactful opportunity.

Just so you know, there is much more to Covenant than simply academics...and personally, my favorite part of CCHS is the community because the primary focus has always been to display talents while glorifying Christ and representing CCHS. From athletics to theatre to clubs there are so many ways to get involved in this community and because it's such a small school, it is almost impossible to not participate in the CCHS Community.

ATHLETICS

If you're like me and enjoy physical activity and fierce competition, be involved in one or more of our athletic teams. Athletic Director Mr. Pfeifer and Assistant Athletic Director Mr. Wolfe both work tirelessly to make sure we have amazing athletic opportunities at Covenant. Even if you aren't into physical activity but love the sport, there are always opportunities to be managers for athletic teams where you can be a part of the team and help out.

THEATRE

Rather than write out all the sports that are offered, here is a handy chart to gaze upon:

FALL	WINTER	SPRING
Boys Soccer	Boys Basketball	Baseball
Boys Tennis	Boys Swimming	Boys Golf
Cross Country	Girls Basketball	Boys Volleyball
Football	Girls Swimming	Girls Tennis
Girls Golf		Softball
Girls Soccer		Track & Field
Girls Volleyball		

The theatre community is showing a small cast musical show in the Fall and one large musical in the Winter. Director Mrs. Shields runs the program along with her team of directors, acting and vocal coaches. Even if you are not one to perform on stage, there are still many of ways to get involved in theatre like doing makeup, stage crew, or tech crew.

CLUBS

Covenant also provides a variety of clubs like Math Club, DECA, HOSA, Writer's Club, Art Club, and even our very own Robotics Team with Mr. Bird. National Honor Society (NHS) is also a fantastic organization where students serve the community with leadership, scholarship, and character. Also, Student Council is a swell group of students who plan, organize, and serve events for Covenant like the famous Covenant Christmas and everyone's favorite, Spirit Week. Sorry underclassmen - both NHS and Student Council are for juniors and seniors only but keep those grades up, so you can be a part of it. Those who are scientifically and mathematically inclined, Math Club, Rocket Team, and Robotics Team could be for you! Both teams love challenges and competitions.

The use of our devices must be in keeping with the school's mission, vision, values, and standards. The following policy is designed to dignify all persons in our community, to aid in the cultivation of relationships, as well as maintain an educational focus in the classroom and other study areas. For the following policy, 'other electronic device' denotes mobile phones, smart phones, gaming devices, smart watches, ipods, or any similar device that provides an interface with the Internet, access content from the Internet, or has communication with other devices wirelessly.

The following policies are listed for the 2022-23 school year:

1. **ONLY** your Personal Education Devices are permitted during classroom time. Cell phones or other electronic devices will be silenced and stored in the designated organizers for each classroom.

The #1 rule of School Spirit is to participate — no one is too cool!!! School spirit highlights some of the best things about high school! Our Student Section, Pep Rallies, and our two Spirit Weeks embody so many enjoyable things about the Cov.

The COVENANT STUDENT SECTION highlights sports, friends, school pride and community. Yes, our school is small, but our student section is a BIG deal. We have some pretty good teams, so cheering them on is a party. But there are a few things you must know...

- We are on social media (Twitter); please follow us @cchsstudentsec1 for updates, theme nights, etc.
- We will cheer (and chastise, though not much) Refrain from using inappropriate language or offensive slurs. We can have fun while being clean and creative.
- The chants are fun, if everyone does them. Whether that be Shark Bait, the Warrior Express, C-C-H-S, and more. It is wild and fun, so be there!
- THEME NIGHTS are a thing. Yes, we will have Black Out Night, White Out Night, Neon Night, Frat Night, Beach Night, Hick Night, 'Merica Night, Jersey Night, and many more. Dress up and go all out - you'll regret it if you don't. It makes for crazy, ridiculous, memorable times.

SPIRIT WEEK is held once during the fall and once during the Spring. They are both jam-packed with some of the wildest days and insane challenges. Spirit Week in the Fall consists of Powder Puff, hallway decorating, class pride, etc. Spring Spirit Week boasts its crazy Dodgeball Tourney and wild Pie-eating Contest.

During the FALL Spirit Week, we will dress up (yes, everyone does it) each day according to different themes. Then we stay late on Thursday night, decorating our hallways for a specific theme. We go all out. Blow ups, smart cars, (haha not anymore) castles - you name it. Then the teachers judge the next day and we find out who wins. Powder Puff is held at 1:30 on the soccer fields. Let's cross our fingers that the seniors win, but don't count on it. This is one of, if not my very favorite week of the year!

We have more fun than you realize by being crazy and making the most of each event. From rowdy State Volleyball sets, to loud blowout football games, to even those wild golf matches, we show up and support one another! Warrior Pride!!!

WHY DOES MY EMAIL NOT WORK TO LOG IN TO CANVAS?

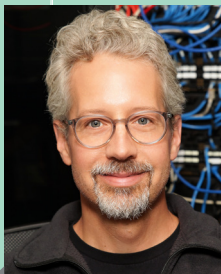

- It's because you didn't ask Mr. Spencer how to set it up.
- It says email, but it really should be your username (firstnamelastname).

WHAT WILL HAPPEN IF I DON'T BRING A CHARGER BACK?

- Mr. Spencer said your transcripts may somehow disappear.
- Or.....you'll have to go back and start over Freshman year.
- No really, bring them back.

WHEN IS IT OK TO GO SEE MR. SPENCER?

- According to him, anytime his office door is open.
- He does go to lunch everyday from 12-1pm.

YOUR TECHNOLOGY GO-TO

Even though he often looks different than any photo you've ever seen of him, Mr. Spencer really does exist in human form in his lair. He is your go-to for all things technology-related. You can find him there most days (in the Library by the Guidance Office). Often called MacGyver, Rockstar, All-Knowing One (and more), he really can solve just about any technology problem simply by being present. He has been known to fix things just by walking in the room.

HOW DO I OPEN THAT SERIOUSLY JANK BATHROOM DOOR?

Alright let's just get this one out of the way. We all know the struggle of opening that odd door handle that you have never seen on any other door in your entire life. All you have to do is push the slanted metal part of the handle in toward the door and don't push on the door anywhere else and hopefully the gods of the doorknobs will look favorably upon you. That's it. If that doesn't work, then there's no hope.

WHY SHOULD I VISIT THE LIBRARY?

If you have a signed library card from Mrs. Burks, a.k.a. Mama B, then you can check out books from the CCHS Library, as well as books from the Indianapolis Marion County Public Library. If you lose this card it'll cost you \$3 to get a new one. Another great use of the Library is as a place for quiet study or a nice space to relax. It opens at 7:30 and closes at 4:30. While it's open, Mrs. Burks has a coffee shop, perfect for those caffeine cravings during finals week. You can purchase Keurig cups and use the coffee machine - all you have to bring is your own cup!

HOW MUCH DOES IT COST TO COME TO A HOME ATHLETIC EVENT?

They're free!! So make sure to come and support your teams. Away matches and tournaments usually cost, but not much.

WHO CAN I ASK FOR MORE INFORMATION ABOUT THESE AND OTHER TOPICS?

Just ask the friendly faces on these pages. Also any teachers, staff or upperclassmen would be happy to help.

WHERE CAN I PARK?

If you have successfully earned your driver's license and obtained a parking pass from the office, congrats! You can now drive yourself to school! Parking is at Chapel Rock unless you have a spot in the senior lot. Please be respectful of pedestrian traffic in both areas.

HOW DO I GET A GYM LOCKER?

You get a gym locker by taking one of Covenant's great gym classes. That includes Freshman P.E., Wellness, Lifetime Sports, or Fitness. Lockers are assigned at the beginning of those classes.

CAN I HAVE MEDICINE IN MY LOCKER OR BACKPACK?

No, you can't have or give away any medicine. All medicine must be from the nurse and given by the nurse. If you have prescription medicines, leave them with nurse.

ARE THE DOORS ON THE LEFT SIDE OF THE SCHOOL ALWAYS LOCKED DURING LUNCH?

Yes, but don't worry. People forget everyday. I still do and I have been going here for three years.

WHAT SHOULD I NOT PUT INSIDE MY LOCKER?

First, ask yourself the question, "Can I get this off at the end of the year?" If the answer is NO, then don't put it in your locker. Also, make sure not to leave old food in your locker. Leave the science projects for the lab.

HOW DO I KNOW IF THERE IS A SNOW DAY OR A 2-HOUR DELAY?

Mr. Goodwin decides if there is a snow day or a delay. You and your fam can sign up to receive text alerts by visiting covenantchristian.org, scrolling down to the bottom, and clicking on SIGN UP FOR TEXT ALERTS. Just follow the directions!

WHEN CAN I LEAVE THE SCHOOL?

Right after that final bell unless you have an after school practice. Otherwise, sign out in the office and say hey to Mrs. Towles. She is wonderful!
